RECOMMENDATION

Staff recommends the City Council approve an amendment to the existing professional services agreement with NBS Government Finance Group (NBS) for enhanced tax roll billing services for FY 2021/22 for the Safe/Clean Water Protection Measure (Measure CW) and enhanced tax roll billing for refuse collection services in an amount not-to-exceed \$31,200.

BACKGROUND/DISCUSSION

NBS Government Finance Group has been responsible for gathering and reviewing data pertinent to the calculation and billing of the City's Measure CW and Refuse Collection levies. Data is obtained from various sources such as the County Assessor's Secured Roll, assessor's parcel maps and other databases to submit to the County Auditor Controller in the required electronic format.

On May 30, 2017 the City entered into an agreement with NBS for enhanced tax roll billing consulting services. The agreement was amended on June 12, 2017 to revise the scope of services of the agreement and increase the amount of compensation. On July 26, 2018, a second amendment to the agreement was entered into between the City and NBS. On July 3, 2019, a third amendment to the agreement was issued to modify and amend the term and schedule of compensation. On August 24, 2020, a fourth amendment to the agreement was issued to modify and amend the term and schedule of compensation. Staff is requesting that a fifth amendment to the professional services agreement be approved for FY 2021/22 enhanced tax roll consulting services.
