### RECOMMENDATION

Staff recommends the City Council receive and file the Fiscal Year 2020/2021 Year-End Report and Audit Summary and the Fiscal Year 2020/2021 Annual Comprehensive Financial Report (ACFR).

### BACKGROUND

The purpose of the attached report is to provide an update on the financial results for Fiscal Year 2020/2021. Staff has worked with the independent auditors to finalize the annual financial statements and prepare the ACFR. The ACFR has been published on the City's website and submitted to the Government Finance Officers Association for the Certificate of Achievement for Excellence in Financial Reporting award. The attached report is a brief summary of the results, with particular emphasis on the General Fund.

## **DISCUSSION**

The General Fund resulted in a net increase of \$6.4M in FY2020/2021 with revenues and transfers in exceeding expenditures and transfers out. Amid a surge in Delta and Omicron variant COVID-19 cases, concerns related to supply chains, the global parts shortages, record-high consumer prices, and labor issues, the City took action to make significant budget cuts, eliminated OPEB pre-funding, eliminated the equipment and vehicle replacement allocation to the General Fund, and minimized new General Fund capital projects.

Culver City has a relatively diverse and strong economy and the City's business community is comprised of a diverse collection of businesses ranging from traditional retail and manufacturing businesses to a major film studio. The economic stresses of the COVID-19 pandemic were still evident in Fiscal Year 2020/2021. Sales Tax did see some early recovery due to the sale of online goods. Transient Occupancy Tax remained depressed due to COVID-related travel restrictions and surges related to the Delta and Omicron variants.

See attached FY 2020/2021 Year End Report and ACFR for more details regarding the City's General Fund and other City Funds.

## **FISCAL ANALYSIS**

There is no fiscal impact with the receipt and filing of the attached reports.
