RECOMMENDATION

Staff recommends that the Civil Service Commission approve the revised classification specification and recruitment bulletin for Deputy City Clerk.

BACKGROUND/DISCUSSION

Historically, the City Clerk was an elected position. In 2006, the electorate determined to convert the elected City Clerk position into an appointed position. Once the Charter revisions were adopted, the

City Clerk functions were incorporated into the duties of an Assistant City Manager.

During the fiscal year 2016/2017 budget process the City Manager proposed and received approval from City Council to reorganize the functions of the City Clerk's Office. This reorganization resulted in the approval of funding a full-time City Clerk to oversee the City Clerk's Office day to day operations. Since that reorganization the need for additional staff has been identified.

During the fiscal year 2022/2023 budget process the City Manager proposed and received approval from City Council to reclassify a vacant position to Deputy City Clerk. Human Resources staff, in concert with the City Manager's Office, reviewed the needs of the position. This review resulted in the proposed revisions to be in compliance with the Fair Political Practices Commission (FPPC) and best business practices for City Clerk operations. The result of that review is the proposed revised Deputy City Clerk classification specification (Attachment 1).

Classification Specification

The proposed changes throughout the classification specification reflect that the position is no longer a high-level clerical position, but rather a management position that supervises staff and programs within the City Clerk Office. Additionally, revised language within the essential job duties, minimum knowledge, skills, and abilities sections reflects modern terminology, current legal mandates, and the City's current City Clerk operations and organizational structure.

- Definition
The description was updated to reflect the level of administrative work performed.
- Essential Job Duties
The duties have been reviewed considering the City Clerk's operational needs. The updated duties reflect the level of work performed by a Deputy City Clerk.
- Minimum Knowledge, Skills and Ability
This section was reviewed and revised to reflect the significant changes to the essential job duties along with being consistent with comparable position within the organization and labor market.
- License and Certificates
The possession of a driver's license requirement was added to reflect the job duties performed.
- Training and Experience
This section was added to reflect the typical way a successful candidate for position would obtain the necessary knowledge, skills and abilities to perform the essential job duties. This is consistent with comparable positions within the labor market.

Recruitment Bulletin

The bulletin is reflective the proposed changes in the classification specification. It includes the necessary recruitment information as well as the examination components. The exam components include a written examination weighted at 40% and an oral interview, weighted at 60%. These exam components are aligned with exam components in similar classifications.

Bargaining Unit Representation

This classification is represented by the Culver City Management Group (CCMG). CCMG has been provided a copy of the classification specification for Deputy City Clerk along with a copy of the recruitment bulletin for their information.

FISCAL ANALYSIS

During the fiscal year 2022/2023 budget process, City Council approved this position and the allocation of funding. The approved salary range for this classification is:

Range: \$9,022.93 - \$11,013.30 monthly \$108,275.18 - \$132,159.56 annually
