BACKGROUND/DISCUSSION:

The DCCBID renewal process is governed by the California Streets and Highways Code, Sections 36500-36551 (the Law). In accordance with the process prescribed therein, on October 24, 2022, the City Council approved the 2023 DCCBID Annual Work Program and Budget (Attachment 3) and adopted a Resolution of Intent to conduct a public hearing on November 14, 2022, to consider continuation of the DCCBID program and to levy assessments on the DCCBID for calendar year 2023. The proposed 2023 DCCBID Annual Work Program includes:

- Marketing and promotional activities;
- Decoration and beautification; and,
- Supplemental maintenance of the BID area in accordance with the Law.

DCCBID assessments are collected by the City and disbursed to the DBA, which manages the DCCBID Work Program in accordance with the Management Agreement between the City and the DBA. The DCCBID Advisory Board proposes no adjustment to the existing assessment for 2023.

Management Agreement

The DCCBID is managed by the DCCBID Advisory Board in accord with the Management Agreement between the City and the DBA, which defines and denotes the responsibilities and duties of the City and the DBA regarding administration of the DCCBID. The current Management Agreement expires on December 31, 2022, and staff is recommending the agreement be extended until December 31, 2024.

BID Advisory Board Membership

State law requires the City Council to appoint a DCCBID Advisory Board, which submits the Annual Report. The City Council may appoint the persons recommended by the DBA or choose other individuals for appointment to the Board. The DBA recommends no change to the DCCBID Advisory Board Members for 2023 (as identified in the DCCBID Annual Report).

FISCAL ANALYSIS:

There is no significant fiscal impact to the City by approving a one-year continuation of the DCCBID. Expenses to the City due to the collection and distribution of DCCBID assessments and staff time spent preparing and presenting the two required staff reports are offset by the City's two percent (2%) administrative fee included in the Management Agreement between the City and the DBA.
