Public Notification: (E-Mail) Meetings and Agendas - City Council (11/09/22); All Contractors by email on (10/31/22).

Department Approval: Yanni Demitri, Public Works Director/City Engineer (10/31/2022)

RECOMMENDATION

Staff recommends the City Council approve a three-year agreement with Econolite Systems, Inc. for

on-call traffic signal, street lighting, and fiber optic maintenance services, in an amount not-to-exceed \$600,000, and an option to exercise up to two one-year extensions at the City's discretion.

BACKGROUND

The City of Culver City Public Works Department maintains 115 traffic signals, over 3,700 streetlights, and approximately 12 miles of fiber optic cable. The Maintenance Operations Division has one staff member assigned to traffic signal maintenance and two staff members assigned to street lighting maintenance. The City has not had an on-call traffic signal and street lighting maintenance contractor since June 2019.

DISCUSSION

In August 2022, a Request for Qualifications (RFQ) #2304 was released and advertised on the City Public Works website and through PlanetBids for qualified firms able to provide on-call traffic signal, street lighting, and fiber optic maintenance services. The following three (3) contractors responded to the RFQ:

- Bear Electrical Solutions
- Crosstown Electrical & Data, Inc.
- Econolite Systems, Inc.

The selected contractor shall provide:

1. 24-hour emergency service
2. Radio dispatch 24 hours per day
3. Emergency: Two hour call back response
4. Standard, Non-Emergency work: 48 hour call back response

All respondents are reputable electrical contractors with many years of on-call traffic signal and street lighting experience. They also provide reasonable pricing and are properly licensed, bonded and insured. These contractors are under contract with multiple Southern California agencies.

Staff from the Public Works Maintenance Operations and Mobility and Traffic Engineering Divisions reviewed the proposals on the basis of qualifications & experience, rates, and references. Based on these criteria, staff recommends Econolite Systems, Inc. for the on-call maintenance contract.

FISCAL ANALYSIS

The Adopted Budget for Fiscal Year 2022-2023 includes sufficient funding available in CIP projects PZ429 - Traffic Signal Replacement & PZ684 - Street Light Upgrades to cover the anticipated annual contract expense of \$200,000 in Fiscal Year 2022-2023 and over a three-year term concluding in Fiscal Year 2024-2025, for a not-to-exceed amount of \$600,000. Funding for additional years would be included in future fiscal year budgets.

PZ429 Traffic Signal Replacement & PZ684 Streetlight Upgrades - Project Expenses				
Project Expense Activity	Fiscal Year of Actual/Anticipated Expense Activity	Total Project Expense	Actual Expense to Date	FY23 Anticipated Expense
On-Call Traffic Signal, Street Lighting, and Fiber Optic Maintenance Services Agreement w/Econolite	FY23 - FY25	\$ 600,000	\$ -	\$ 200,000
Total Estimated Project Expenses:		\$ 600,000	\$ -	\$ 200,000
PZ429 Traffic Signal Replacement & PZ684 Streetlight Upgrades				
Fund Source	Funding Strip	Total Project Life Budget	Prior Years Budget Total	FY23 Available Budget
Traffic Signal Upgrade and ITS Improvements	42080000.619800.PZ429	\$ 481,447	\$ 297,347	\$ 184,100
Traffic Signal Upgrade and ITS Improvements	42080000.730100.PZ429	\$ 2,877,728	\$ 2,491,117	\$ 386,611
Street Light Upgrades	42080000.730100.PZ684	\$ 1,512,978	\$ 1,415,528	\$ 97,450
Total Appropriated & Available		\$ 4,872,153	\$ 4,203,992	\$ 668,161

ATTACHMENTS

None.

MOTIONS

That the City Council:

1. Approve a three-year agreement with Econolite Systems, Inc. for on-call traffic signal, street lighting, and fiber optic maintenance services, in an amount not-to-exceed \$600,000;
2. Authorize the City Manager to approve up to two (2) one-year extensions;
3. Authorize the City Attorney to review/prepare the necessary documents; and
4. Authorize the City Manager to execute such documents on behalf of the City.
