RECOMMENDATION

Staff recommends that the Planning Commission (1) discuss and possibly approve the proposed Planning Commission list of accomplishments for the 2022 calendar year and the Planning Commission's work plan for the 2023 calendar year; and (2) authorize staff to transmit a memorandum summarizing the 2022 accomplishments and 2023 work plan to the City Council.

BACKGROUND

The Culver City Charter provides the City Council of Culver City with the authority, by ordinance, to establish and abolish Commissions, Boards or Committees as it may determine, from time to time, to be necessary for the effective and efficient governance of the City. The Culver City Municipal Code (CCMC) Section 3.03.005 establishes the Planning Commission and Section 3.05.400 establishes the Commission's powers and duties as the following:

- A. After a public hearing thereon, recommend to the City Council the adoption, amendment or repeal of the General Plan, or any part thereof, for the physical development of the City.
- B. Exercise such control over zoning, land subdivisions and building as is granted to it by the City Council and by the laws of the State of California;
- C. Make recommendations concerning proposed public works and for the clearance and rebuilding of blighted or substandard areas within the City and public improvement in general;
- D. Upon the direction of the City Council, issue Orders to Show Cause why use permits, exceptions or variances granted should not be revoked for violation and to hold necessary hearings, transmitting findings and recommendations to City Council. A person aggrieved by the action of the Commission may appeal to the City Council by filing a notice of appeal in accordance with the appeal procedures and within the time limits set forth in [Chapter 17.640 <https://codelibrary.amlegal.com/codes/culvercity/latest/culvercity_ca/0-0-0-58276>](https://codelibrary.amlegal.com/codes/culvercity/latest/culvercity_ca/0-0-0-58276) of this Code; and
- E. Perform such other duties, not inconsistent with the City Charter or this Code, as may be prescribed by ordinance, resolution, City Council Policy or other City Council action.

Zoning Code Section 17.600.15 includes in the Commission's duties and functions listed above, the following:

- (1) The review and final decision on development projects and related environmental documents; and
- (2) The recommendations, to the Council for final decision, on Development Agreements, General Plan Amendments, Specific Plans, Zoning Map/Code Amendments, and other applicable environmental documents, policy, or ordinance matters related to the City's planning process; and
- (3) That functions listed above shall be performed in compliance with 17.500.010 (Authority for Land Use and Zoning Decisions), Table 5-1 (Review Authority) and the California Environmental Quality Act (CEQA).

City of Culver City Council Policy Statement Policy Number 3002 was issued and took effect on May 10, 2021 by Resolution No. 2021-R040 to provide general guidelines for the City's Commissions, Boards and Committees (CBC), as well as to representatives appointed to outside agencies and boards. In Section VI. Commission, Board and Committee Interaction with City Council, the policy requires that *"Periodically, but not less than biannually, each CBC shall submit to the City Council a written report on their respective activities."*
