BACKGROUND

There was a consensus at the December 8, 2022 BPAC meeting to create, as it has in the past, an ad hoc subcommittee to meet regularly with representatives of West LA College to discuss mobility challenges in and around the West LA College campus and promote cooperation.

There was a consensus at the December 8, 2022 BPAC meeting to create an ad hoc subcommittee to begin discussions with residents, parents, community members, Culver City School District administration, and City staff regarding safety concerns and mobility challenges on and around Elenda Street between Farragut to Culver Boulevard and the three schools nearby.

If BPAC opts to create the two ad hoc subcommittees, it will need to appoint two members of BPAC to each subcommittee.
