Commission Name:

Public Notification: (E-Mail) Meetings and Agendas - City Council (05/18/2023); Affected Property Owners within the Assessment District (05/10/2023)

Department Approval: Jesse Mays, Assistant City Manager (5/16/23)

RECOMMENDATION

Staff recommends the City Council adopt a resolution (1) approving the Engineer's Report, (2) declaring the City Council's intention to levy and collect assessments for the West Washington Boulevard Assessment District No. 2, and (3) setting the time, date and place for a Public Hearing on June 12, 2023.

BACKGROUND

In July 2010, the West Washington Assessment District No. 2 (District) was formed to fund the maintenance of three new landscaped medians between Centinela Avenue and Boise Avenue. The District has remained in place since.

On May 8, 2023, the City Council adopted a resolution adopting an Engineer's Report for the District. A copy of the Engineer's Report is attached for consideration by the City Council.

DISCUSSION

The City Council is asked to adopt a Resolution of Intention (1) approving the Engineer's Report; (2) declaring the City's intention to levy and collect assessments for the upcoming fiscal year; and (3) setting the date, time and place for the public hearing as required by Culver City Municipal Code (CCMC) Section 15.01.070.

Should the City Council adopt the proposed resolution, pursuant to CCMC Section 15.01.070.G, the City Clerk will notice the public hearing by publishing the Resolution of Intention at least 10 days prior to the date of the hearing. The public hearing is scheduled for June 12, 2023 at 7:00 p.m. in the Mike Balkman Council Chambers at City Hall. Instructions on how to attend the meeting will be included in the published notice.

FISCAL ANALYSIS

The Engineer's Report for Fiscal Year 2023/2024 estimates the annual maintenance costs for water, electricity, administrative services and landscape maintenance at approximately \$30,008. This includes a \$15,000 allocation for ground cover replanting within the medians. Approximately \$35,955 remains in the Fiscal Year 2022/2023 Improvement Fund account (No. 42516520). Staff recommends that \$10,000 be set-aside as a reserve for unforeseen damages and any unallocated funds be carried over and used to reduce the Fiscal Year 2023/2024 levy. Per this recommendation, the proposed levy for Fiscal Year 2023/2024 is approximately \$4,053.
