Commission Action Required: Yes ☐ No ☒

Public Notification: (E-Mail) Meetings and Agendas - City Council (03/22/17);

Department Approval: Charles D. Herbertson (03/16/17)

RECOMMENDATION

Staff recommends the City Council approve the final plans and specifications and authorize the publication of a notice inviting bids for the 2017 Pavement Rehabilitation Project, PS-005.

BACKGROUND/DISCUSSION

Per the pavement management system recommendation and visual observation, staff has selected streets to be resurfaced with new asphalt. The scope of work generally consists of replacing two inches of deteriorated asphalt concrete with new rubberized asphalt concrete. In areas of extensive pavement failure, the asphalt section will be removed and replaced with full depth asphalt pavement. Traffic striping and traffic loops will be restored. The following arterial and residential streets are scheduled for resurfacing:

1. Jefferson Blvd. - Kinston Ave. to Sepulveda Blvd.
2. Sepulveda Blvd. - Centinela Blvd. to Green Valley Circle
3. Sepulveda Blvd. - Venice Blvd. to Washington Blvd. (localized repairs only)
4. Buckingham Pkwy - Hannum Ave. to Slauson Ave.
5. Slauson Ave. - Sepulveda Blvd. to Hannum Ave.

6. La Cienega Blvd. - Fairfax Ave. to Washington Blvd.
7. Wesley St. - National Blvd. to Higuera St.
8. Matteson Ave. - Albright Ave. to Sawtelle Blvd.
9. Stevens Ave. - Vera Way to South End (Playa St.)
10. Esterina Way - Cranks Rd. to Hill Rd.
11. Centinella Ave. - Sepulveda Blvd. to Mesmer Ave. (northbound curb lane only)
12. McLaughlin Ave. - Adjacent to Washington Blvd.
13. Inglewood Blvd. - Adjacent to Washington Blvd.
14. Willat Ave. - Hoke Ave. to End of Cul-de-sac
15. Hines Ave. - Washington Blvd. to Adams Blvd.
16. Vinton Ave. - Farragut Dr. to Le Bourget Ave.

KOA Corporation completed the engineering design through the on-call consultant contract. Staff recommends the City Council approve the final plans and specifications and authorize the advertisement of construction bids for the 2017 Pavement Rehabilitation Project.

FISCAL ANALYSIS

This project is funded by City's General Fund (\$1,835,431), Community Development Impact Fee (\$269,000), Gas Tax (\$328,062), Los Angeles County Measure R (\$498,658), and a reimbursable grant from California Department of Resources Recycling and Recovery (CalRecycle) (\$183,880) for using rubberized asphalt concrete on this project.

Proposed Project Budget	
Funding Source	Amount
PS-005 Arterial Streets Pavement Rehab	\$2,426,969
PZ-863 Residential Paving Program	\$708,062
Total	\$3,135,031

Estimated Project Expenses	
Construction	\$2,750,000
Inspection/Survey Services	\$200,000
Construction Material Testing Services	\$50,000
Total Estimated Project Expenses	\$3,000,000
