RECOMMENDATION

Staff recommends the City Council approve an application for grant funds in the amount of \$19,149.00 through the FY 2018 Department of Justice Bureau of Justice Assistance Bulletproof Vest Partnership.

BACKGROUND/DISCUSSION

The Bulletproof Vest Partnership (BVP), created by the Bulletproof Vest Partnership Grant Act of 1998 is a unique U.S. Department of Justice initiative designed to provide a critical resource to state and local law enforcement. Since 1999, the BVP program has awarded more than 13,000 jurisdictions, a total of \$430 million in federal funds for the purchase of over one million vests. BVP is a critical resource for state and local jurisdictions that saves lives.

The BVP covers one-half the costs of Department purchased bullet-proof vests. Since 2000, the Police Department has been awarded and received reimbursement funds in the amount of \$186,706.99.

The grant application reflects the number of vests the department needs to replace (based on a

five-year vest life cycle) and vests for officers the department anticipates hiring over the next two years. The Police Department records show the need to replace 39 issued vests and 10 vests for new police officers over the next two years based on current and future vacancies due to attrition.

FISCAL ANALYSIS

Grant allocated funds will be used to off-set 50% of the costs for the purchase of ballistic vests. Funds have been allocated in the proposed fiscal-year 2018-2019 Police Department budget to purchase new ballistic vests.
