RECOMMENDATION

Staff recommends that the Parks, Recreation and Community Services (PRCS) Commission take any or all of the following actions, if desired: (1) receive and file updates from the members of the Ad Hoc Subcommittees and representative appointees to outside associations and City Committees; (2) form new and/or dissolve existing Ad Hoc Subcommittee(s); and, (3) appoint two Commissioners to the newly-formed Ad Hoc Subcommittee(s).

BACKGROUND/DISCUSSION

At the August 6, 2019 meeting, the PRCS Commission reviewed the list of Commission appointments, including those of the Ad Hoc Subcommittee Members. The attached list of Commission appointments has been updated based on the action taken by the Commission at that meeting (Attachment 1).

Updates from PRCS Commission Representative Appointees

Staff has prepared this report as a standing Agenda Item to give the Commissioners an opportunity hear updates from their colleagues.

PRCS Commission Ad Hoc Subcommittees

An "ad hoc" subcommittee serves only a limited or single purpose. It is not perpetual, and it is dissolved when

its specific task is completed. An Ad Hoc Subcommittee may be formed or dissolved at any Commission meeting, as long as the discussion has been placed on the Agenda in advance. Once an Ad Hoc Subcommittee has been created, updates are typically given by Members during this Standing Agenda Item. By consensus of the Commission, a separate Agenda Item is sometimes prepared and presented on a specific Ad Hoc Subcommittee's topic or event.

For the December 3, 2019 meeting, Commissioner Zeidman and Vice Chair Amezola, the Members of the *Student Representative Position Development Ad Hoc Subcommittee*, provided a draft Pilot Program for selecting and appointing a Student Representative to the PRCS Commission (Attachment 2). The discussion of the draft Pilot Program was postponed until this evening's meeting so that Commissioner Zeidman could be present to provide his comments.

FISCAL IMPACT - There is no fiscal impact associated with this discussion.
