Department Approval: Sol Blumenfeld, Community Development Director (06/02/2020)

RECOMMENDATION

Staff recommends the City Council conduct a public hearing and adopt a resolution approving the annual assessment levy for Benefit Assessment District West Washington No. 2 for Fiscal Year 2020/2021.

PROCEDURE:

- 1. Mayor seeks motion to receive and file the affidavits of publication and posting of notices and correspondence received in response to the public hearing notices; and,
- 2. Mayor calls for a staff report and the City Council Members may pose questions to staff as desired; and,
- 3. Mayor seeks a motion to open the public hearing; and,
- 4. Mayor seeks a motion to close the public hearing after all public testimony has been presented; and

5. City Council discusses the item and arrives at its decision.

BACKGROUND/DISCUSSION

In July 2010, the West Washington Assessment District No. 2 (District) was formed to fund annual costs associated with three new landscaped medians installed between Centinela and Boise Avenues. The District assessments require annual City Council approval.

On May 26, 2020, the City Council approved the Engineer's Report, declared its intention to order the assessment levy and collect assessments, and set the date, time and place for this public hearing.

Pursuant to Section 15.01.070.H of the Culver City Municipal Code (CCMC), any interested persons may file a written protest with the City Clerk (or withdrawal a previously filed protest) until the conclusion of the Public Hearing. Pursuant to CCMC Section 15.01.070.K, the City Council shall not impose an increased assessment if there is a majority protest. The Engineer's Report for Fiscal Year 2020/2021 does not propose an assessment increase that exceeds the voter approved maximum rate, which is adjusted annually in accordance with the Consumer Price Index. Therefore, the majority protest proceedings do not apply, and the City Council may, after receiving public comment, adopt the resolution confirming the assessment as determined by the Engineer's report.

Pursuant to CCMC Section 15.01.070 (J and K), the City Council may choose to order changes in any of the matters provided in the report, including changes in the improvements or services, or both, any zones within the district, and the proposed diagram or proposed assessment as long as the changes do not result in an increase of the rates above the voter approved maximum rates adjusted by an inflationary formula, if any, or it may choose to adopt a resolution confirming the diagram and assessment, either as originally proposed or as changed by it. Adoption of such resolution constitutes the assessment levy for Fiscal Year 2020/21. The City Council may also choose to dissolve the District pursuant to CCMC Section 15.01.065.A.3 or pay for the costs of the District with the City's General Fund.

FISCAL ANALYSIS

Due to a surplus in the District's Improvement Fund, there is no proposed assessment for Fiscal Year 2020/2021. The proposed Resolution will confirm the \$0.00 assessment and the Engineer's Report.

ATTACHMENTS

- 1. Engineer's Report
- 2. Proposed Resolution

MOTION

That the City Council:

Adopt a resolution confirming the assessment and ordering the levy for the Benefit Assessment District West Washington Boulevard No. 2 for Fiscal Year 2020/2021.
