Community Survey

During the previous meeting on August 25, 2020, the EHRAC members (Members) requested that staff disseminate an online survey drafted by the Ad Hoc Community Outreach Subcommittee, consisting of 13 questions. The purpose of the survey was to solicit input into the work plan activities of the EHRAC. The Members also requested that staff advertise the September 22, 2020 meeting in an effort to invite additional community participation into the work plan development process.

The online survey and the September 22nd meeting were advertised on the City's social media outlets, including Facebook, Instagram and Twitter; on the EHRAC webpage; and through GovDelivery provided to thousands of subscribers. The flyers, which were created in Spanish and English, were posted in City facilities, and copies were made available for EHRAC members to share with friends and family, and to further post in private businesses or other venues throughout the City.
