Department Approval: Charles D. Herbertson, Public Works Director / City Engineer

BACKGROUND

The large number of neighborhood residents and businesses in Fox Hills together with the regional traffic impacting the area generates the need to manage auto traffic volumes and speeds and provide for safe and convenient bicycle and pedestrian facilities.

The City is planning multiple upcoming meetings to gather Fox Hills community input.

DISCUSSION

At this first meeting, City staff will consult the Fox Hills community on the following topics:

- (a) Types of traffic calming measures;
- (b) Planned pedestrian and bicycles improvements;

- (c) Bikeway improvement designs for Buckingham Pkwy and Green Valley Circle; and
- (d) Parking supply, demand, and management
