### **RECOMMENDATION**

Staff recommends that the Equity and Human Relations Advisory Committee (EHRAC) (1) receive the report from the Transgender Day of Remembrance Ad Hoc Subcommittee; (2) Discuss and consider approval of the report's recommendations and determine next steps, and (3) provide direction to staff if deemed appropriate.

### **BACKGROUND/DISCUSSION**

During the fiscal year of 2021/2022, the Equity and Human Relations Advisory Committee voted to hold various community events as part of their work plan. One of these events is participation in the worldwide observation of the Transgender Day of Remembrance (TGDOR) on November 20, 2021. During the August 24, 2021 regular meeting, the Committee achieved consensus to agendaize an action item to receive and discuss the Transgender Day of Remembrance Ad Hoc Subcommittee's event program and details.

The Transgender Day of Remembrance (TGDOR) has been observed in 185 cities, including many in the United States. The TGDOR has been observed around the world in more than twenty (20) countries, since 1999, to commemorate the assassinations of Transgender people and to tell a bit of their story. The purpose of the TGDOR commemoration is to bring to the attention of the public the discrimination and public violence still being suffered by Transgender people.

The Transgender Day of Remembrance Ad Hoc Subcommittee includes EHRAC Vice Chair Carlos Valverde,

and Members Michelle Dennis and Jared Morgan.
