RECOMMENDATION

Staff recommends the Finance Advisory Committee (FAC) approve the Measure CC and Measure C Sales Tax Status Reports (FY2022-2023, First Quarter) and Real Property Transfer Tax Status Report (FY2022-2023, Second Quarter) for transmittal to City Council.

BACKGROUND/DISCUSSION

In November 2012, Culver City residents voted in support of Measure Y, a half cent transaction and use tax to maintain critical City services for the next 10 years. In March 2020, Culver City residents voted in support of ballot **Measure CC**, the continuation of the half cent tax through 2033. Measure Y is now referred to as Measure CC. The FAC Work Plan is to "Continue to provide quarterly reports to the City Council on Measure CC proceeds."

In November 2018, voters passed a quarter cent local transaction and use tax under **Measure C** to maintain the current level of public safety services, community programs, infrastructure maintenance, and other City services funded through the City's General Fund. Measure C collections began in April 2019 and will remain in effect until ended by voters. The ballot measure included the stipulation that, if passed, the FAC would provide quarterly reports of fund proceeds and expenditures to the City Council. The FAC Work Plan was revised to include this requirement.

The FAC and staff have developed infographic-based Measure CC and Measure C Status Reports to provide background information, identify top 25 sales tax producers, illustrate budget versus actual results for the fiscal year, and show the cumulative totals received for each period.

Due to a lag in receiving data from the reporting agency, Measure CC and Measure C reports for review this period cover FY2022-2023, First Quarter (July-September 2022).

The FAC has additionally requested to review and transmit a **Real Property Transfer Tax Status Report** to the City Council. The Real Property Transfer Tax (RPTT) is a one-time tax imposed by the City when a property is sold in Culver City. RPTT revenues go into the General Fund and are used to provide essential services including deferred maintenance of parks, facilities, and streets, addressing homelessness, and providing programs for seniors, youths, and economic recovery.

Real Property Transfer Taxes are issued directly to the City from Los Angeles County; therefore, the RPTT report for review this period covers the more recent Second Quarter of FY2022-2023 (October-December 2022).
