RECOMMENDATION

Staff recommends that the Equity and Human Relations Advisory Committee (EHRAC) 1) receive a report from Seniors Event Ad Hoc Subcommittee about the all-ages event on ageism in May; 2) determine next steps, and 3) provide direction to staff as deemed appropriate.

BACKGROUND/DISCUSSION

While a Seniors Event Ad Hoc Subcommittee was created in October 2022 to carry out an event honoring older adults, the Subcommittee revisited the topic and presented a revised event about ageism, which is in greater alignment with the committee's workplan.

At the March 28, 2023, meeting, the Subcommittee presented a proposed overview of the event, which will include a speaker panel and discussion. The committee achieved consensus to agendize this item for discussion at the April 25, 2023, meeting where the Subcommittee will provide additional details about proposed speakers, communications and other considerations related to the topic.

FISCAL ANALYSIS

There are no costs associated with discussion of this item. There may be costs associated with the event.
